

Dear Parents,

GREETINGS

It was a short week at school this week resuming from the Ramadan celebrations. School went well with all planned activities and an exciting Early Years assembly on Friday 30th June.

TERM 3 EXAM TIMETABLE

The examination timetable for Key stage 1 and 2 pupils was sent home on Wednesday 28th June. Each pupil was given a timetable. Revision exercises were also carried out at school this week; examinations start on Monday 3rd July 2017. We have spread the exams over 3 days with a break in between each of those days so pupils can be well prepared and relaxed to write their papers.

LAST WEEK OF CLUBS

All club activities have ended this week. Parents are to please ensure Early years' pupils are picked up at 1.30 pm and Primary pupils at 2.00pm daily. Everyone closes at 1.00pm on Fridays. After-school care continues for the rest of the term. Pupils must be picked up promptly please.

EARLY YEARS ASSEMBLY

As part of our activities for our last week's theme 'Going Green', the Early Years arm of our school got a visit from an organization called 'Don't Drop It', who gave the children a talk about keeping our environment clean. Children were thrilled to listen to stories and look at some pictures of some dirty communities. The children were also told how they can recycle their leftover food to make a garden.

The session ended with a song (The Earth Is My Home) by the children.

MAKE-UP SWIMMING CLASSES

Pupils in the swimming club will have make-up classes as they missed sessions earlier in the term. These classes will hold as long as the weather is good enough for swimming. The Wednesday group will go swimming on the 5th and 12th July and the Friday group on the 7th July.

STEM AND STEAM PRESENTATIONS

Two organisations will be at school on the 11th and 12th July to have presentations with the pupils on STEM...Science, Technology, Engineering and Mathematics and STEAM....Science, Technology, Engineering, Arts and Mathematics. These are dynamic and innovative strategies to ignite a love for the Sciences and Mathematics in children. The better and preferred club will run as a co-curricular activity at our school next session.

RECEPTION GRADUATION 2017

This annual event for Reception pupils will hold at our school on Tuesday 11th July 2017 at 8.30 am. Parents and invited guests should please arrive promptly as we will start on time to end the assembly at 9.00am.

SCHOOL PRODUCTION: LION KING

This exciting showcase will hold on Tuesday 11th July at the school premises. Parents must please be seated by 9.00 am for a 9.15am start. Siblings, grandparents, friends and well-wishers are all cordially invited.

SCHOOL FEES 2017/2018

We sent home a letter to all parents with the school fees schedule for the academic year 2017/2018. The letter is also attached to this newsletter.

INTRODUCTION OF THE NEW HEAD TEACHER

We sent home a letter on Friday 30th June introducing our new Head Teacher for September 2017. The letter is attached to this email.

SUMMER SCHOOL 2017

All pupils brought home a flier for summer school 2017. It promises to be 4 weeks of fun in a safe and conducive environment. The whole school will wear a new look within the next ten days and we encourage payments to register their children and please spread the word. Lunch will be served daily to all pupils.

PHOTO GALLERY

Our photo gallery this week showcases the activities that held at school.

Early Years children and staff posed with the “Don't Drop It” Team

Mrs Sneha and the “Don't Drop It” Team during their visit to the Early Years children

We wish all parents a restful weekend.

Regards,

OIS MANAGEMENT.
