

Dear Parents,

GREETINGS

This is our last newsletter for the term as the holiday starts today. It has been an exciting term with lots to do. The pupils have enjoyed being at school and have made a lot of effort in their learning and co-curricular activities. Well done to all pupils this term, however there is room for improvement and we encourage them all to get a good rest and personally reflect and strategise for the way forward next term. Term 3 will be the shortest for the academic session and will require hard work, commitment and dedication from the first day.

HEALTH SPLASH

Our maiden Health Splash programme was a success and we thank all parents and pupils who were at school. We all had great fun, had an effective workout, learnt a lot through the health talk and more. Please find below the contacts of the resource people for follow up.

- Dr Mrs Jennifer Braimah - 08051189693
- Ms Helen – Zumba Fitness – 08094426922
- Ms Anara – Yoga Fitness – 09094267167
- Adila – Hula hoops -08037213723

PARENT/TEACHER INTERVIEWS

Parent/teacher interviews were held on Thursday 6th April for Term 2. Parents were at school to discuss their child's progress with class teachers and strategise on the way forward for term 3. We are determined to ensure every child makes progress and we ask for parental support

where it is applicable. Supervision of homework and signing the communication book daily are 2 important roles for parents to perform.

FINAL ASSEMBLY TERM 2

Our final assembly for the Term was held on Thursday 6th April. The Acting Head Teacher celebrated the pupils for a good term, told them they must do their holiday homework as well as enjoy themselves over the short break.

All year 4 pupils were asked to wait behind after assembly. We reminded them about the high expectations the school has of them as the most senior class amongst the group. We talked about respect, obedience, confidence, responsibility and leadership. They were informed they would be acting school prefects next term as we begin the process of selecting our lead monitors at school.

HOLIDAY HOMEWORK

All pupils were given holiday tasks by their class teachers. These tasks must be completed and submitted on the first day of term 3.

MEDICAL CHECK UP

We encourage all parents to take their children for a routine medical check-up over the holiday. Please have their eyes, ears, teeth and others checked by a paediatrician and other specialists. Also, check all their immunisation records and get boosters where applicable.

HOLIDAY FAMILY OUTINGS

There are a number of events over the holiday for families to enjoy in a safe environment. We recommend the Ladies International Social club

of Abuja (Naija wives) Art & Craft bazaar at Tobix garden (very close to NEXT Department store) and Canterbury Hills Event Management Ltd kids fair at the new park at Mabushi (beside the Orji Uzor Kalu building). We have spoken with both organisers and have been assured of a good event and Oakland International School will be there as well.

STAFF RESUMPTION

Staff will resume on Thursday 20th April for Term 3. Parents may come in to school for new uniforms, inquiries and others. We are at school from 9.00am – 3.00pm on Thursday 20th and Friday 21st April.

PUPIL RESUMPTION

All pupils resume on Monday 24th April at 7.30am. There will be no club activities the first week of term therefore Early Years pupils will close at 1.30 pm and Primary pupils at 2.00 pm. After-school care will resume on the first day of term.

PHOTO GALLERY

This week there are photographs from the Health Splash, the final assembly and the Year 4 P.E. Class.

Parents and Oakland Staff energetically performing Zumba fitness routine.
